Description:

Views of Two Rock Passage! – Enjoy sunsets as you relax in the evening after a short walk from the office. The newly constructed twelve-unit development, built by well-known developer Gilbert Lopes, is located on the edge of Hamilton in a desirable neighbourhood within walking distance of grocery stores, restaurants, and shops. Drive into the underground garage with each unit having its own dedicated parking space and storage area. Step onto the elevator to the first floor and enter into the spacious open-plan kitchen/dining/living room which leads out to the covered terrace. The living room and terrace offer views of Hamilton Harbour. The main bedroom suite has a walk-in closet and bathroom with double sinks and a large shower. The other wing offers a bedroom, bathroom, and laundry. The Thermador kitchen appliances are all stainless steel and feature a six-burner gas stove, refrigerator, undercounter microwave, and dishwasher. The interior sq. footage is approx. 1,400 and the terrace is 150 square feet. The location, convenience, and high-end finishes make a Miramar condo an ideal rental given it is adjacent to Bermuda's premier business district. The Landlord will consider furnishing the apartment for $12,000 per month. Please call Jonelle Smith, for further information.
