Description:

Nestled in a sought-after residential neighbourhood with views of the City of Hamilton, this is a perfect family home that is conveniently located near town but still enjoys a quiet piece of Bermuda.

Walk up to the covered porch and enter the welcoming entry room, which features ample storage, a convenient powder room, and a short set of stairs leading to the light-filled living area with a large fireplace. French doors open onto a brick patio area for a quiet reprieve. The heart of the home, the gourmet kitchen, is designed for casual family gatherings and the spacious layout accommodates an informal dining table and counter area. There is ample space for a table and chairs for casual meals, which overlooks the French doors to the pool area. Directly adjacent, a dedicated formal dining room awaits sophisticated gatherings.

Just off the kitchen, discover a well-appointed laundry room and an additional powder room with direct access to the pool area and an outdoor shower.

Beyond the main living areas, an office and a secluded guest suite await on its own level, offering a private retreat with a convenient kitchenette, closet, full en-suite bathroom and two private balconies for enjoying the scenic surroundings. The upper level features two more spacious en-suite bedrooms with generous closet space, and the large primary suite has sweeping views of the City of Hamilton. Closets line a hallway leading to the bath with a separate tub and shower and double sinks.

For added convenience, the attached garage offers seamless access to the main residence. A separate studio apartment below the main house provides additional flexibility.

This exceptional property combines the perfect accommodation for a family along with a prime location, making it a truly remarkable find.
